

The Mission of the Program Committee is to plan programs and activities that inform the residents of Lee and others who have an interest in our stories.

The committee provides a large annual exhibit (in the Lee Library community room) and arranges speakers (in the Lee Senior Center) both of which have gained growing audiences.

Future activities are limited only by the imagination of those who serve on this committee and by the resources available. The Committee needs activists, people who believe in our mission and who are willing to invest time in it.

Want to help? Please any committee member for more information: Gary Allen (garywallen@earthlink.net), Bill Mathews (williamdmathews54@gmail.com) Phil Smith (skulhaus@aol.com) or our chairman Ellen Whittaker (ellenwhit@aol.com). Thank you.
